True Confessions!

Think students have a lot to learn? Carrie from Bromley could teach you a thing or two...

I'm a female student who lives in Scotland but goes to uni in the south of England. I had my18th birthday while I was home for the holidays and got bought a second-hand car as a pressie, which I decided I'd drive back for the start of the new term. It's a long trip, so I advertised online for people needing a lift – just for a bit of company and to share the petrol costs.

I only got one response for when it suited me to travel, a lad called Marcus. He looked pretty good in the photo he emailed me, but that didn't prepare me for how he looked in the flesh! I was sat there, trying to keep it together and drive straight on the road, my fanny starting to ooze and froth before we'd hardly gone a few miles!

We got on great, bantering a bit, although he never pushed it and I never let on that I fancied the arse off him. One time when we were in the services, I had to lock myself in the loo and frig myself to orgasm, just to relieve my sexual tension. At first I sucked my fingers clean, then I dipped them in my juicy hole again, rubbing them all over my boobs and neck, hoping he'd smell the sex on me and feel like he had to have me.

We arrived at my house-share a couple of hours behind schedule, mainly because we took our time over a pub lunch. It was too late for Marcus to hitch the 50-odd miles further he needed to go, so I offered to let him crash. He was getting his sleeping bag out to kip on the settee when I decided I was going to go for it. If it went tits up, we never had to see each other again.

"I just grabbed his hand and stuck it right between my thighs"

That's how we ended up in my bed, Marcus saying he'd had trouble holding back all through the trip. Talk about a fucking wasted chance, but we could make up for it now. We didn't mess around with slow foreplay – when he went for my tits, I just grabbed his hand and stuck it right between my thighs. And then I got busy wanking him, so I could get that cock of his inside me as soon as.

I was so moist for the bloke, I didn't care what size he was. Not that I didn't notice he was a big lad when I got my hands on it. He was stiff even before I started playing with him, and so thick my fingertips didn't touch when my hand was wrapped around it.

I laid him back on the bed and started sucking him, opening wide and wanking him as I gobbled, using both hands so all his length was getting seen to. But he wanted to give it back to me, moaning for me to sit on his face. So I sixty-nined him, straddling his head with my snatch dipped low for him to suck on. He got his mouth on my clit, three fingers in my hole and one fiddling around with my arsehole. I didn't want to cum until I got his knob inside my cunt, but then I realised I didn't have a lot of choice. The second I thought it, I was orgasming in his mouth.

He wasn't going to spunk before he fucked me, though. I dragged myself down till I was arched up over his prick, grinding his helmet against my equally engorged clit. Then I put him in me and sat down as hard as I could – I was going to ride the fuck out of every inch of him.

I'd driven the entire length of the country – now I was still in the driving seat as I ate up another length, my fanny clenched tight around it. One hand was reaching down to stroke and squeeze his balls, the other on my clit, while he amused himself playing with my arse. I managed to get myself off to a hard cum, then used the last of my energy to take him all the way, circling my crotch as he pumped me full of cream.

He stuck around the next day, waiting until the very last minute before leaving – only to get back into bed when I promised to drive him as long as he made it worth my while. It didn't take me long to get him home, so I told him not to be surprised if I turned up on his doorstep howling for his cock sometime – I knew where he lived now! He said he'd always wanted a stalker, especially a horny one, and we both knew I could give a stalk-on any time!

True Confessions!

Fancy yourself as a budding actor? Ella from Leeds will make you feel like a real star...

I'm Ella, I'm 19 and I never had any dreams of superstardom! In fact, acting was just something I agreed to for a laugh.

A local drama group was putting on a play by a new writer. It featured a scene with female nudity and, while it was 'essential to the plot' as they say, the director, Nathan, knew it would get a lot of publicity, too.

A mate of mine put my name up for it! They'd been having trouble casting it – the only woman in the group with the figure for it had point-blank refused, and as my friend knew I wasn't shy, she volunteered me. At least she gave me some good advice – told me to remember I was doing them a massive favour. Nathan liked what he saw and I got the part. I won't go into it too much, But the first night went down a storm.

We went into the communal dressing room for some champagne to celebrate our opening night. Knowing everyone had already seen me in the nip, I just sat around in a robe. I hadn't eaten since lunchtime through nerves, so a few glasses gave me a right buzz!

Nathan kept catching my eye, and I acted more pissed than I was, flashing my tits at him, joking around. Then I said I'd lost an earring on the stage and I'd better look for it. I'd have been surprised if he hadn't followed me, and we ended up snogging. I was the only one of the group who stood up to him, and he seemed to like it – so, when I clicked my fingers and pointed down, he dropped to his knees and started to lick me.

"he dropped to his knees and started to lick me"

As his tongue probed my cunt and his fingers rubbed my clit, I started to cum, juicing into his mouth. Although he swallowed down a load of it, he was wet and sticky all around his lips and I licked him clean as we kissed again. Then someone shouted for him, and he left, telling me to follow in a bit.

He obviously saw this as a sneaking-around thing – not surprising as he had a girlfriend. So I decided to stir things up for my own fun. One of the stagehands, Baz, was cute but down-to-earth. He did a lot of gophering and flirted with me, but messing around, like he didn't think he was in with a chance. But I left with him after the show the following night, making sure Nathan knew about it.

In one sense, I was using Baz, but I was clear that this was just a bit of fun. He also had one of the thickest cocks I've felt in my life. We just laid there snogging for ages, with my pussy oozing untouched. I fingered out some juices and smeared them on his cock, letting him fuck in and out of my clenched hand.

I thought he'd cum really quickly but he said he could 'hold back as long as it takes', and that he wanted to spunk inside me. The thought of that sent a warm twinge through my cunt and I rolled back, spreading wide for him. He sunk inside, pumping and circling his dick around as I frigged my clit.

I won't say he was the best fuck I'd ever had, but it was fun. It felt like all his strength was focused in his prick and his body was so hot where it touched mine. For all he'd said about holding back, he was struggling. He'd moan and clench all over as he tried to hold on, sweat beading on his forehead.

He braced himself against the bed and humped away. I managed to get a hand between us, and let his thrusts mash my fingers up against my clit. He was the first to cum, length pulsing as his balls emptied up my snatch. Then a couple more rubs and I orgasmed, with his still-stiff cock still inside me. I heard him groan as my walls tightened around his shaft.

"his jizz bubbled out inside me"

Bet you've guessed what all the backstage gossip was about the next evening, and I felt a bit torn between Baz and Nathan. It was closing night so everyone had a drink, and I waited till I saw them both talking. Then I said I wanted to take the two of them home. I thought that Baz would bottle it, but he was the one I walked out with.

Nathan – still playing Secret Squirrels – met us at the cab rank. We all piled onto my bed when we got home. Nathan wandered off in search of booze, while Baz and I fooled around.

Nathan came back with booze and a hard-on. He saw Baz was already stuck into sucking my cunt, and said I 'owed him oral' from a few nights back. I didn't argue.

He dipped his cock inside my mouth then trickled some cava down his shaft, watching it fizz up and out over my chin and cheeks. I just closed my lips around his head and sucked.

Baz knelt up between my legs, wanking his shaft, his helmet rubbing against my slit. I got up on all fours, Nathan cupping my tits as I gobbled away on his meat. Then I sighed with pleasure as Baz's prick sank inside me.

He took it slow, timing it to my steady sucks on Nathan's prick, hands kneading my cheeks. His finger found my arsehole and teased its way inside, which had me clenching around his cock. He was already starting to spurt as he pulled out, and laid his jumping cock down my crease, pressing down on it with his hand. I felt his thick helmet part the peaks of my cheeks, then his hot spunk flowed down between them.

I started taking Nathan deep throat, thinking he'd finish off in my mouth. Instead, he raised me up, sat back and dragged me onto his cock, both of us feeling our way into position. "You dirty bitch," he said as his fingers pinched my nipples. I came hard, finally splaying over him, spent and shaking, as his jizz bubbled out inside me.

Nathan offered me a place in the drama group, said I wouldn't even have to audition. Yeah, what an honour! I turned him down as I started college, and didn't want the situation with him and Baz getting awkward. But I've told them any time they need a token naked bird on their stage, I'll happily oblige if I'm around!
